

Chancellor's Welcome

Welcome to Montana State University-Northern!

This catalog serves as your guide for academic programs, university services, and institutional policies. You can use it to not only plot a course that will help you achieve your educational goals, but also to familiarize yourself with the many resources we have on campus to assist you. Our friendly faculty and staff are all invested in making sure you get an Education that Works.

I hope you will also find time to get involved in the many campus clubs and organizations that Northern has to offer, and to enjoy activities and events sponsored by your student government. These experiences will allow you to make memories and build friendships that last a lifetime.

I look forward to seeing you on campus. On behalf of everyone at Northern, welcome!

Sincerely,

Greg Kegel
